**Traffic Signal Improvements Eyed by County**

Supervisor Kenneth Hahn announced today that the Board of Supervisors has approved an agreement with the State Division of Highways for modification of signals at two intersections on 174th St. which will expedite the flow of traffic on the busy State highway. The two intersections on Artesia affected by the agreement are Western Ave. and Avalon Blvd. Terms of the agreement call for three phase signals to be installed, with the third phase

allowing signal-controlled left hand turns onto Western Ave. At Avalon the roadway will be widened to permit installation of a left turn lane. This will require relocating existing signals.

**Announcement**

I wish to announce that due to the increasing growth of my clientele towards the Beach Cities and South Bay areas, I have opened an additional Dental Office in the South Bay Shopping Center in the new Professional Medical Building on Redondo Beach Blvd. (174th St.), one block west of Hawthorne Blvd. With these new expanded facilities, I can better meet the demands of Adult Denture Service, both Full Replacements and Cast Partial, and the Immediate Denture Technique specialty which I have concentrated on and developed through the years. However, we will also carry on services to the whole family as before.

**DR. ANTHONY L. VOGT,**  
Adult Dentistry

I will maintain alternate days at both offices as follows:  
Redondo Beach Office: Monday-Wednesday-Friday  
Gardena Office: Tuesday-Thursday-Saturday 'til Noon.  
Appointments will be made by phone for either office.
